

Up Karty

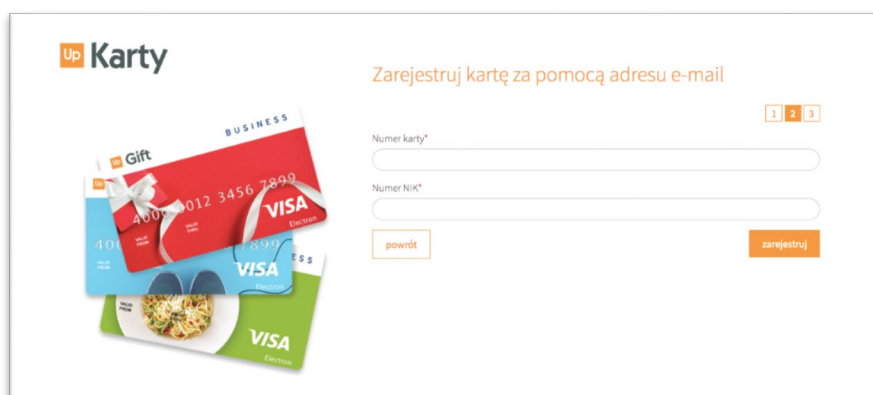

Card registration process
on www.up-karty.pl

1. **Choose how to activate your account** (SMS or Email)

The screenshot shows the Up Karty registration interface. On the left, there is a stack of three Visa Electron cards: a red 'Gift' card, a blue 'BUSINESS' card, and a green card. On the right, the text 'Zarejestruj kartę' is displayed above the heading 'Wybierz sposób aktywacji konta'. Below this heading are two orange buttons: 'SMS' and 'E-mail', separated by the word 'lub'.

2. **Complete your personal details** (name, surname, e-mail address or telephone number)
3. **Enter the card number and the NIK number**

The screenshot shows the registration page with the heading 'Zarejestruj kartę za pomocą adresu e-mail'. On the left, the same stack of three Visa Electron cards is visible. On the right, there are two input fields: 'Numer karty*' and 'Numer NIK*'. Above the 'Numer karty*' field is a small navigation bar with three buttons: '1', '2', and '3'. Below the input fields are two orange buttons: 'powrót' and 'zarejestruj'.

4. Depending on the registration method, confirm the phone number with a code that you will receive in an SMS or click the activation link that you will receive by email, and then set your password.
5. Log in to the platform www.up-karty.pl
